

Dear Friends,

With temperatures over 30 degrees most days this past summer, it's definitely been a great season for golf. This has been anything but a normal summer though, as you are all well aware. We want to thank you for your support and for playing safe and being safe during this pandemic. 2020 will certainly be remembered as a year of unexpected events for golf courses everywhere. Our primary focus throughout the season has been on the health and safety of every member, green-fees player, and the staff of our club. To keep our course operating safely, we scaled back our clubhouse services and successfully implemented tee-times to better manage the flow of play to keep our community safe.

As we head towards another great year of golf and fun at the Belmont Golf Club, we welcome our returning members as well as newcomers interested in playing our great course. If you're new to Belmont Golf Club, we look forward to meeting you in person and extend a very warm welcome! If you are returning, we are delighted you're back! We thank you for your continued support and look forward to seeing you next spring.

We assembled this Welcome package for your convenience. It includes the 2021 membership rates, green-fee rates, and the membership application form. Given the uncertainty of COVID, the calendar of seasonal events for ladies and men will be posted on our website closer to the start of next season.

Please keep checking the weather mid-April next year and give us a call at (519) 644-1370. We also invite you to visit the club website at: Belmontgolfclub.com, where we will continue to communicate the latest club updates.

Thank you so much for your continued support.

Sincerely,

Jan and Staff!
