

Dear Friends,

Welcome to another great year of golf and fun at the Belmont Golf Club! We are delighted you're back and especially excited to be celebrating a very important milestone this year, our 60<sup>th</sup> Anniversary! We always appreciate your support and look forward to seeing you this spring.

We want to thank you for playing safe and being safe during this pandemic, 2020 will certainly be remembered as a year of unexpected changes for golf courses everywhere. Like last year, our primary focus for 2021 will continue to be on the health and safety of every member, greens-fee player, and staff at our club.

To keep our course operating safely, we will continue to offer scaled backed clubhouse services and operate tee times to better manage the flow of play. We included our golf course hours and a few important rules we think will make for a safe and fun season ahead.

**Golf Course Hours:**

- April – June 1<sup>st</sup> – 7:30 am
- June 2 – September 1<sup>st</sup> – 7:00 am
- September 2 – October 31<sup>st</sup> – 8:00 am
- November (if open) – 9:00 am (dependent on weather)

**Tee times**

- Single players will either be asked to join other groups or play after 12 noon
- If you are unable to make your assigned tee time, please call the pro-shop 519-644-1370
- If you are late for your tee time, we will do our best to arrange another time
- If the course is wet due to rain, please call ahead to confirm access to riding carts
- To avoid congestion on the course, no leapfrogging throughout the course and play ready golf and take no more than 3 minutes looking for lost balls
- Members wanting to play on holidays must book a tee time and a cart if needed
- Due to COVID, please arrive no earlier than 15 minutes prior to tee time to ensure the safety all golfers
