

Dear Friends,

With temperatures over 30 degrees most days this past summer, it's definitely been a great season for golf. This again has been anything, but a normal summer though, as you are all well aware. We want to thank you for your support and for playing safe and being safe during this pandemic. Our primary focus throughout the season has been on the health and safety of every member, green-fees player, and the staff of our club. This year, we re-opened our clubhouse services and kept tee-times in place to better manage the flow of play to keep our community safe. We celebrated the 60<sup>th</sup> anniversary of our golf course this year holding an open house where many family and friends gathered to honor the milestone.

As we head towards another great year of golf and fun at the Belmont Golf Club, we welcome our returning members as well as newcomers interested in playing our great course. If you're new to Belmont Golf Club, we look forward to meeting you in person and extend a very warm welcome! If you are returning, we are delighted you're back! We thank you for your continued support and look forward to seeing you next spring.

We assembled this Welcome package for your convenience. In recognition of the restrictions in 2021 due to COVID and heavy rain, **all our prices will remain the same for 2022**. The Welcome package includes the 2022 membership rates, green-fee rates, and the membership application form. The calendar of seasonal events for ladies and men will be posted on our website closer to the start of next season.

Please keep checking the weather mid-April next year and give us a call at (519) 644-1370. We also invite you to visit the club website at: [Belmontgolfclub.com](http://Belmontgolfclub.com), where we will continue to communicate the latest club updates.

Thank you so much for your continued support.

Sincerely,

Jan and Staff!
