Dear Friends,

We would like to thank you for your continued loyalty and business over the years. It has been an honor for George and I and our family to know you and serve you these past 61 years. We are deeply grateful for all that you have done to support our business and very much appreciate the memories we will carry forward and the many ways you have added to our lives. I am writing to let you know that I am making the difficult decision to sell the golf course.

After operating Belmont Golf Club in honor of George these past five years, I am now ready to move on. This will be an enormous change and has been a very challenging decision for me, and definitely bittersweet. I also know this change will impact each of you in different ways. This place has meant so much to us all, for 61 years BGC has been a “home away from home” for many of you, it’s been a home for our family, it has been a gathering place for thousands of members, staff, and green fee players.

Once again, I can’t thank you enough for helping to make the course what it is today.

Sincerely,

Jan
